We would like to announce to the general public that “**The Cottage Club**” has a brand new website.

We bring to you a whole new look and feel about us in furthering our online presence in the tourism industry globally.

We are very excited about our new website and confident in seeing an increase in our occupancy.

We would also like to say a “Special Thank You” to Malachy Magee of Jumbie Design, [www.jumbiedesign.com](http://www.jumbiedesign.com) , whom we commissioned to design our new corporate identity and website.
